Terms and Conditions

- To estimate the price for your fiber, add up the cost of each necessary step. Fine can wools lose up to 80% weight in scouring. Coarser wools can lose as little as 25%.
- Minimum carding order size is 3 lbs. clean weight. All smaller orders will be billed at 3 lbs. clean weight.
- Minimum spinning order is 5 lbs. clean weight. Smaller orders will be billed at this minimum.
- Full payment is due 14 days after invoice is emailed.
- 15 days after invoice is emailed, a \$20 late fee is added.
- Not responsible for invoiced orders left for 45 days or more, processing fees are still due.
- Long wool type fibers and double coated fleeces often require blending with finer micron wool to process on our equipment. We will blend the minimum percentage necessary to produce a high quality product. Fiber for blending cost applies. Ask us about what your particular wool requires.
- You are responsible for the condition and quality of the raw fiber being delivered to the mill.
- We do not scour finished yarn.
- Some mill waste is expected throughout processing and varies depending on fiber condition and type.
